education

Phorms Education is a future-oriented employer in the field of education. Since 2006, Phorms has enriched the educational landscape in Germany with a concept based on sophisticated bilingual (German-English) education, qualified all-day care and individual support. The Phorms network currently includes eight daycare centers, seven primary schools, six secondary schools, as well as the Heidelberg International School. Children, parents and our employees value our facilities not only as a place to learn, but also as a place to live. To this end, we work together closely and in a spirit of trust and are constantly developing ourselves and our organization.
